Hi Scott-

I don't have documents on a CD. But you're welcome to review the hard copies I have. Would you like me to bring them up to your office?

I would like to see not only what the group submitted that you cite to but also the material that it submitted that you do not cite. Do you by chance have what the group submitted on a CD?

Margret shared your summary with us. There are references in the material to document we don't have. What I have is a 1 ½ inch 3-ring binder with lettered tabs up to 'Q'.
